A message from Rev. Paul Behnke

A parent's best tool for relationship with their kids is something called "Windshield Time" or "Car Conversation." Do you use this time strategically to build relationship and connection or is it usually filled with the logistical details of your family schedule? No matter who is in your car, this car conversation after church may be the most important and strategic conversation that you can have all week because this car conversation is what connects what happens in church to the rest of your week. Use this time strategically to ask and answer this one question. "What is your one big thing you're taking away from the service this morning?"

SANCTITY OF HUMAN LIFE

Sanctity of Human Life Sunday

Today | National Day

On January 13, 1984, President Ronald Reagan issued a proclamation designating January 22 as the first National Sanctity of Human Life Day. (January 22, 1973- the U.S. Supreme Court legalized abortion-on-demand in all 50 states.)

Churches around the United States use the day to celebrate God's gift of life, commemorate the many lives lost to abortion, and commit themselves to protecting human life at every stage.
