TRUTH

A message from Dr. Dennis Episcopo

In my early years as a pastor, I had a Vietnam veteran share with me deep pain from his time overseas. We cried together as he told me the story of watching his friend die in battle. He looked at me with tears in his eyes and said, "I sure hope, Pastor, you never have to be in a leadership position where you are deciding on life and death issues." I thought about his comment and I realized, in my position, the stakes of heaven or hell are even higher!

That is why this church will dare to keep moving forward until we connect the world with God and one another. I can't wait to tell you more about it next week - Feb. 10 - when we kick-off our six-week series and unveil the expanded vision.
