A message from Dr. Dennis Episcopo: Living Supernaturally

The Bible makes a distinction between a “natural person” and a “spiritual person.” There is no way I can live the Christian life apart from the ministry of the Holy Spirit. Paul says in Romans 8:9 that if you do not have the Holy Spirit living in you, you are (by definition) not a Christian.

You receive the Holy Spirit when you are born again. This distinguishes you as a “spiritual person.” (1 Cor 2:14-15) You will need the Holy Spirit to live for Christ. Jesus’ call to deny oneself, to return good for evil, to continually forgive, to endure intense suffering, and to keep on doing all of this with joy for 50, 60, or 80 years, is just not possible to the “natural person.” It is only possible for people who have received the Holy Spirit. You must be born again!
