A message from Dr. Dennis Episcopo: A Sacred Offering

I want to take this opportunity to thank you for all that you have done in my life as your pastor, and all you have done to make Appleton Alliance the dynamic church it is today. I am grateful for you and your commitment to what God does here.

God is challenging all of us now to move again and trust Him for another God-sized vision. It matters to God what we do today, and more importantly it matters to eternity. Please give God your best.

In the trenches with you,

Pastor
