### YOUR COMMUNITY

#### Take a picture and enter it to win!

This vision isn't just about our church, it's about who's outside of it! First our church, then our Jerusalem, and then the world. Our Jerusalem is the Fox Cities - we are a light for Christ each and every time we interact in our community. How can you bring your CHURCH outside of these walls and into your COMMUNITY?

This week, we want you to take a look around your community and take a picture and post it to Instagram using the hashtag **#aacdare2move**. Tell us what you love about the space and how you can see AAC connecting in.

At the end of the week, we'll pick a few winners to win a "friends & family" AAC outreach package.

### A message from Dr. Dennis Episcopo:

Today we'll be talking about the 2nd bucket in our expanded vision, which involves our community outreach. We want to continually demonstrate God's love to the people of the Fox Cities, especially by serving those in need.

Every day, life pulls us in different directions. Sometimes we are laughing, and sometimes we are grieving. It's like when you get an illness and you begin the long process of healing. If your prayers are answered, and even if some of your health is restored, there's great joy! The psalmist wrote, "weeping may last through the night, but joy comes with the morning." (Ps 30:5) May it be so, not only in your life, but in many other lives we minister to.
