A Message from Dr. Dennis Episcopo: Tell me The Truth!

The Bible says there will come a time when people will not listen to sound biblical teaching, but instead look to religious teachers for whatever they prefer to hear. They will reject The Truth and chase after myths (2 Timothy 4:3-4).

If I'm sick with a mysterious illness, I want a straightforward physician who will tell me the truth, no matter how much I may dislike the diagnosis. Truth is sometimes hard to receive, but it is always better than a "feel good" theology.
