**A Message from Dr. Dennis Episcopo: *It Begins with Parents***

The spiritual reality your child needs will most likely begin in your heart first. Like the flight attendant who says to every parent before every flight, "Make sure that your own mask is on **first** before helping your children."

You cannot give what you yourself do not have or have experienced. God's Word must live in your heart before you can teach it to your children. (Deut 6:4-7) It all begins with you.
