A Message from AAC

We want everyone to be able to attend church. After all, Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." (Matthew 19:14) Discovery Land is a welcoming and fun environment for children to learn about Jesus and our One2One program allows families that have children with disabilities to participate in the weekly Sunday services. And now, we now have a space available for parents whose children are simply having a rough morning.

This space is open to both moms and dads, has the service on TV, and is meant to be a guilt free environment - meaning if your kid is the loudest, that's ok! We ask that families use this only during mornings of fussiness and continue to use Discovery Land or sit in the main worship center when your child(ren) are otherwise content. This room can be found near the East Entrance where the Hope Clinic used to be located.
