A Message from Dr. Dennis Episcopo: Don't Wait Too Long

In his old age, Solomon wrote the book of Ecclesiastes as he looked back on the life he had lived. The saddest part of Solomon's story is that it took him a very long time to realize an important truth: the world cannot give lasting joy. Without God, life has absolutely no meaning! It is interesting that at a younger age he wrote the proverb, "For those who find me [God] find life and receive favor from the Lord. But those who fail to find me, harm themselves." (Proverbs 8:35-36) Don't wait too long to find God!
